

Masterclasses

INVEST IN YOUR EMPLOYEES

Welcome to our tailored training program pricing guide. Here, you'll find three distinct packages - Basic, Standard, and Premium - each designed to match your specific training needs and duration preferences. Explore our options to find the perfect fit for your team's professional development, with the added advantage of cost-effective pricing for comprehensive learning.

1 Day Training

BASIC

- *Focus:* Offers a concise, intensive overview of one selected module, ideal for teams needing a quick yet impactful learning experience.
- *Content:* This one-day session provides fundamental insights and key takeaways in either AI and marketing, leadership and sales, or cross-cultural communication, depending on your choice.

\$1.800

2 Days

STANDARD

- *Depth and Interaction:* Expands on the basic package by delving deeper into the chosen topic, allowing for more interactive exercises and detailed discussions.
- *Flexibility:* Choose to focus intensively on one module for both days or combine two modules for a more diverse learning experience, tailored to your team's needs.

\$3.600

3 Days

PREMIUM PACKAGE

- *Extensive and Integrated Learning:* This all-encompassing package allows for an in-depth exploration of one or more modules, offering a comprehensive, integrated training experience that covers a broad range of topics.
- *Cost-Effective Advantage:* Opting for the 3-day package provides not just a richer learning opportunity but also comes with the convenience of being 7% cheaper than booking individual days, making it a more economical choice for thorough professional development.

\$5.022
